August 30, 2016

[Best Lawyers®](#), the oldest and most highly respected peer review guide to legal excellence in the legal profession, has named Bruce A. Morrison to its 2017 edition of The Best Lawyers in America® in the practice area of Litigation - Environmental.

The nationwide list of attorneys included in the upcoming 23rd edition is based on more than 7.3 million confidential and detailed evaluations from more than 83,000 leading attorneys on the legal abilities of other lawyers in their practice areas.

Lawyers are not required or allowed to pay a fee to be listed; therefore inclusion in Best Lawyers is considered a singular honor. Corporate Counsel magazine has called Best Lawyers "the most respected referral list of attorneys in practice."

Mr. Morrison works on issues affecting water quality, air pollution, floodplains and wetlands preservation, preservation of parks and open space, and reduction in climate change causing pollutants.
