WHEN COMMUNITIES WIN, IT'S MUSIC TO OUR EARS

SPONSORSHIP AND SUPPORT OPPORTUNITIES

Every year, we gather to celebrate the people and partnerships that make our work possible. The Great Rivers Environmental Law Center Annual Celebration and Fundraiser is our signature fundraising event, bringing together community leaders, environmental advocates, and supporters who share a common belief: that clean water, healthy air, and wild places are worth fighting for.

The evening features presentation of the Lewis C. Green Environmental Service Award, honoring individuals who have made exceptional contributions to protecting our local environment. We also will be holding a silent auction with a great selection of items. All proceeds go directly toward the legal advocacy, community partnerships, and campaigns that protect Missouri and Southern Illinois' rivers, wild lands, and communities.

Sponsoring this event is an opportunity to demonstrate your commitment to a healthier environment while gaining meaningful visibility among community leaders, legal professionals, and engaged advocates. Whether through a financial sponsorship or an in-kind donation to our silent auction, your support makes a difference. Read on to learn more.
